Red Hat In the Leader Quadrant for IT Training

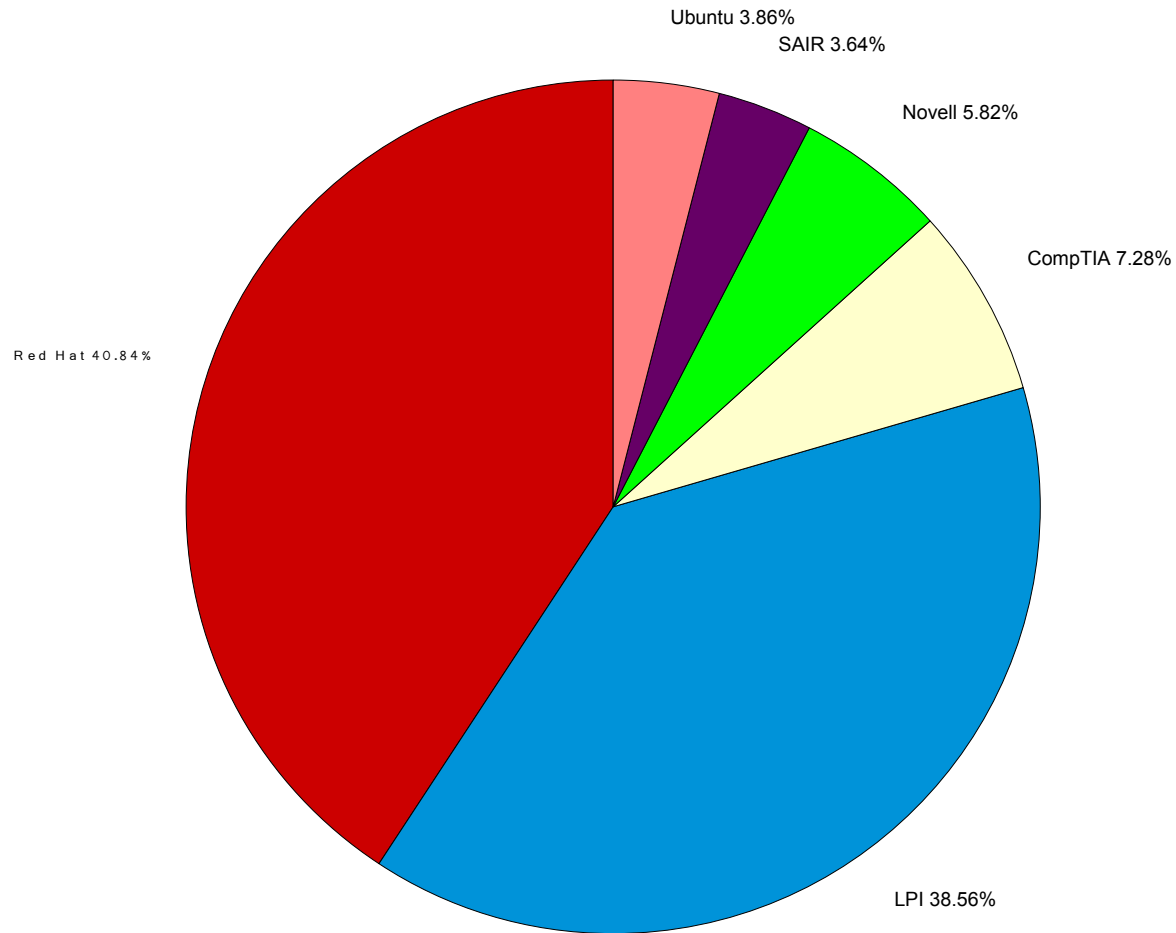

IDC MarketScape IT Training Vendor Assessment

- Red Hat was one of only 3 vendors placed in the leader category
- RHCE is consistently rated among the most desirable IT certifications
- Student survey results consistently average greater than 4.5/5.0

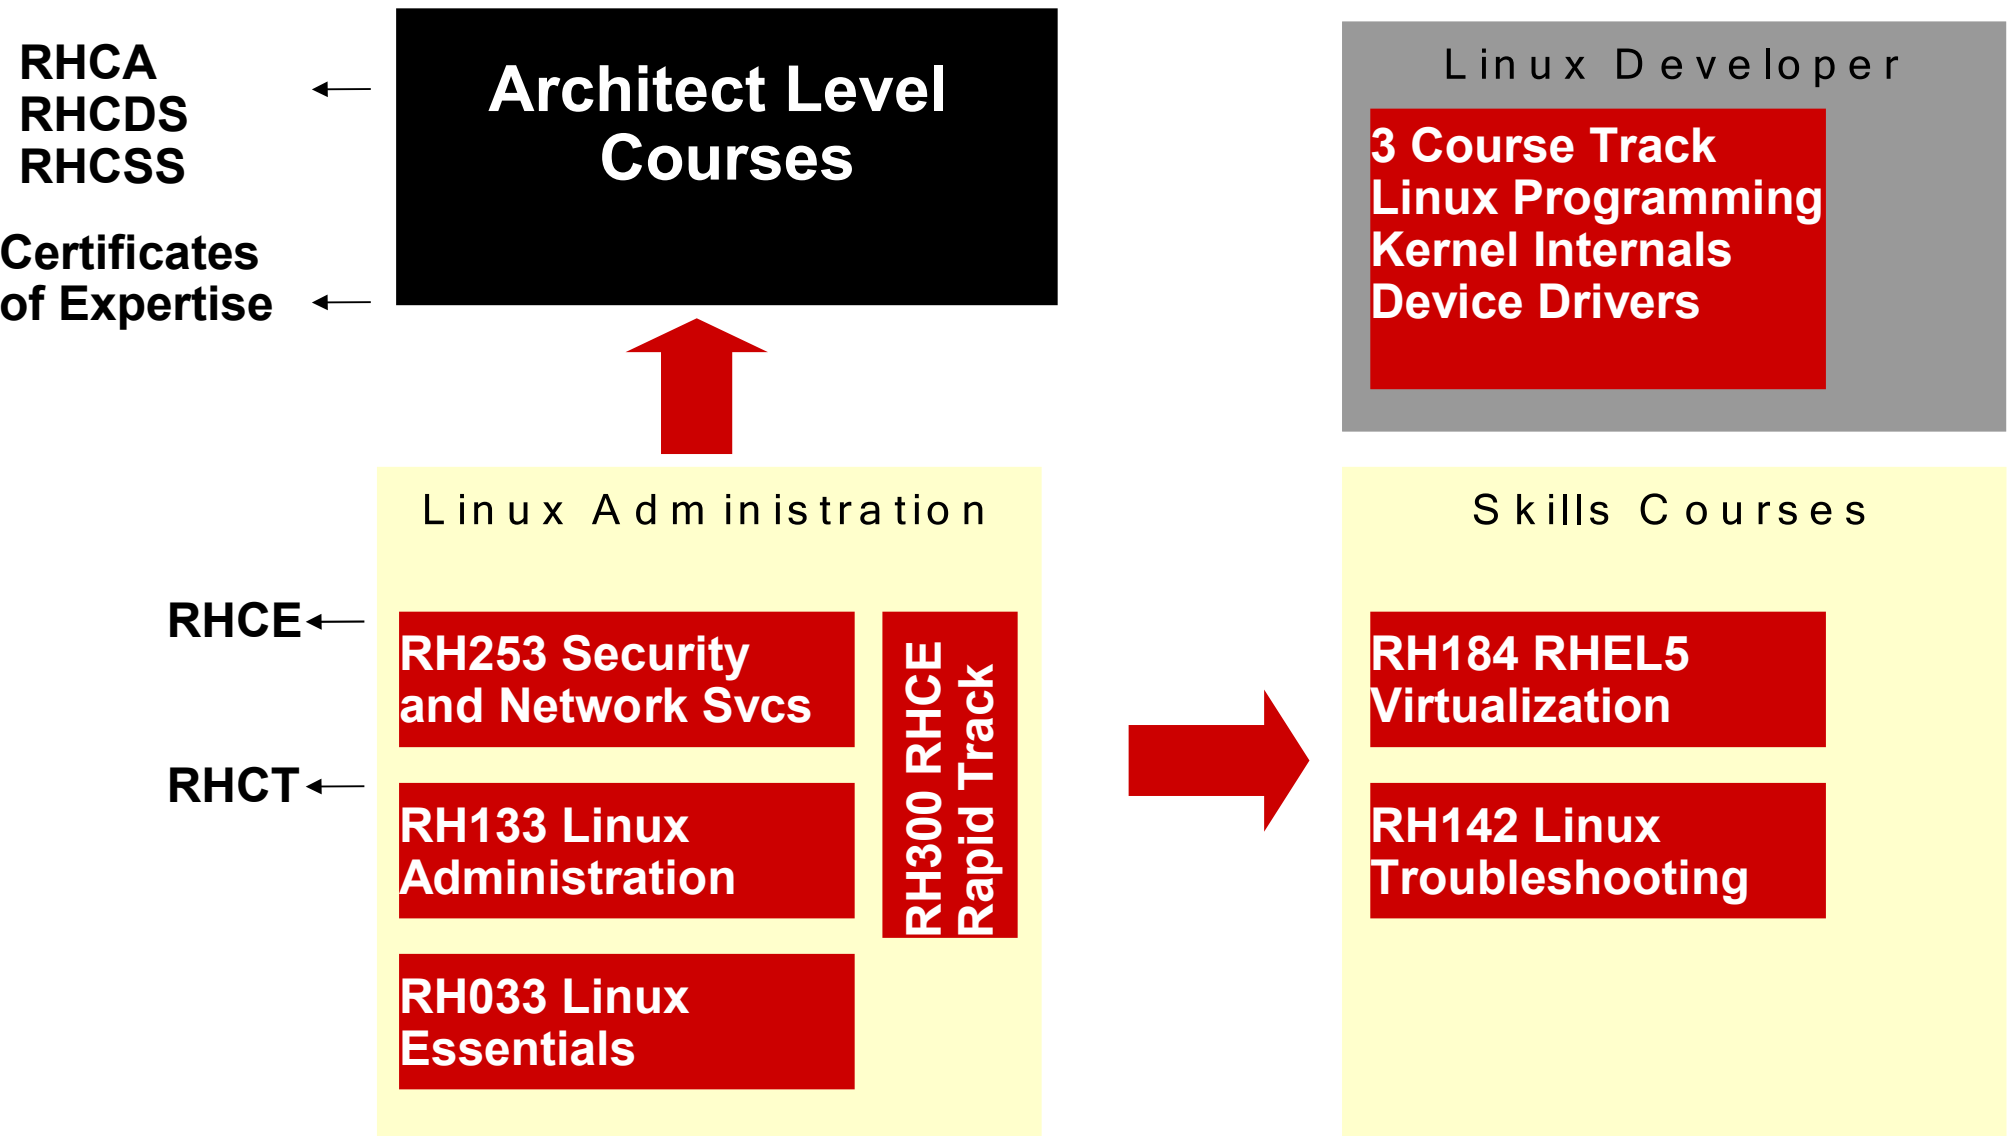

Source: IDC, 2007

Red Hat Leads In Certification Market Share

Linux Curriculum

RHCT/RHCE – Who Are The Target Customers?

RHCT / RHCE – Student Target Matrix				
Student Target Type	RH033	RH133	RH253/ RH302	RH300
MS System Admin (regardless of experience)	●			
Entry Linux / UNIX Admins (limited Command Line experience)	●			
Linux / UNIX System Admin (less than 2 years experience)	●	●		
Linux / UNIX System Admin (more than 2 years experience)		●	●	●
UNIX Sys or Network Admin (5+ years of Experience)			●	●
Red Hat Certified Technician (RHCT)			●	●

Certificates of Expertise

- 'Badges' for RHCEs in specialized areas of expertise
 - Based on Successful passing exam for any Architect of Specialist course
- 6 different courses: RH333, RH423, RH401, RH436, RH442

Architect – RHCA

- Master-level technical leadership
- Design, plan, deploy and manage Linux systems across the enterprise

Specialist -- RHCSS & RHCDS

- RHCSS – Red Hat Certified Security Specialist
RHCE security knowledge & specialized skills in RH Directory Server and SELinux
- RHCDS – Red Hat Certified Datacenter Specialist
3 Courses: RH401, RH423, RH436
Design solutions for RHEL5 Datacenter: Clustering, Virtualization, etc

Engineer – RHCE

- Set up and configure Linux servers, network services, network security, diagnostics, troubleshooting
- Currently, 30,000+ RHCEs Worldwide

Technician – RHCT

- Install and configure new Linux systems, attach to corporate network
- Currently, 21,000+ RHCTs Worldwide

	Certs of Expertise	Specialists		
		RHCA	RHCSS	RHCDS
RH442 Performance Tuning	◆	◆		
RH401 RHN Sat and Virtualization	◆	◆		◆
RH436 GFS and Clustering	◆	◆		◆
RH423 Directory Server and IPA	◆	◆	◆	◆
RHS333 Ent. Security and Network Services	◆	◆	◆	
RH429 SE Linux	◆		◆	
RH435 Certificate System
